

Quality Assurance - Process Map

Disclaimer: This resource has been prepared and produced by the National Children's Bureau, the provider of the Department for Education (DfE) funded Sector Awareness and Provider Preparedness programme. The National Children's Bureau has produced this resource independently of Ofsted, based on information and feedback provided by local authorities and providers of supported accommodation. It is not intended to supplement or replace the Ofsted inspection framework for supported accommodation but can be used to support usual local authority quality assurance processes. It is highly recommended that you refer to up-to-date [Department for Education Guide to the Supported Accommodation Regulations including Quality Standards](#) about the regulation of supported accommodation.
