

Quality Assurance - Process Timeline

Statutory local authority duty to looked after child
 Supported accommodation provider duty
 Regulation overseen by Ofsted
 'Best practice' local authority quality assurance process

Ongoing mechanism in place for YP to provide feedback on placement

Local authority must arrange to see YP whenever reasonable request is made or if concerns are raised

Disclaimer: This resource has been prepared and produced by the National Children's Bureau, the provider of the Department for Education (DfE) funded Sector Awareness and Provider Preparedness programme. The National Children's Bureau has produced this resource independently of Ofsted, based on information and feedback provided by local authorities and providers of supported accommodation. It is not intended to supplement or replace the Ofsted inspection framework for supported accommodation but can be used to support usual local authority quality assurance processes. It is highly recommended that you refer to up-to-date [Department for Education Guide to the Supported Accommodation Regulations including Quality Standards](#) about the regulation of supported accommodation.
