Supported Accommodation Regional Event Community of Practice for Local Authorities

The National Children's Bureau will be delivering a series of Regional Community of Practice events in June and July as part of the Sector Awareness and Provider Preparedness programme.

These events are an opportunity for local authorities to come together through an Action Learning Set model to identify challenges for the implementation of the supported accommodation registration and regulation regime and develop solutions and actions.

Please select the date that is specific to your region. We will update the Digital Learning Platform with a full agenda and details of what you can expect from the sessions.
