## **Welcome to our LINKS Workshop**

### **Bereavement & Pre-Bereavement Work with Young People**

**Please use the chat facility to 'sign in' giving your own name and that of your organisation**

# **This workshop will...**

- **Discuss talking about bereavement, pre and post, with young people**
- **Explore the best language to use**
- **Share with you young people's thoughts and wishes around the way they would like to be treated when facing bereavement and loss**

# Today's Aims

- That you leave with new skills and feel more confident in your capacity to speak about death and to communicate with children and young people when they are facing a bereavement
- That you know where you can go for support in this area.

# Today's Contributors
