

**NATIONAL  
CHILDREN'S  
BUREAU**

**Our advisory groups  
are recruiting Young  
People!**

The National Children's Bureau is looking for children and young people aged 11-18 or up to 24 for young people with special educational needs and disabilities to be part of either our Young NCB Advisory Group and our Young Research Advisory Group.

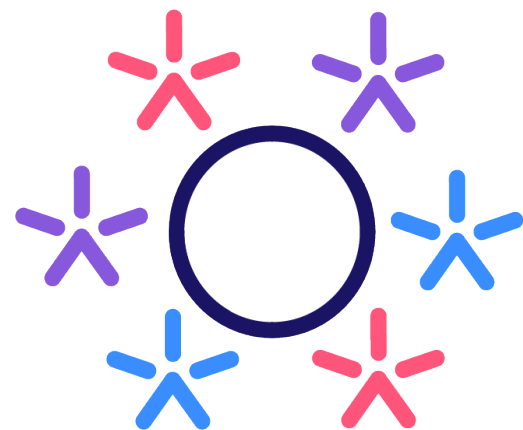

The YNCB Advisory Group is made up of children & young people (aged 11-24) who get together to help decide and plan what work Young NCB does, including the issues it deals with and the activities and events it organises.

The Young Research Advisory Group is made up of children & young people (aged 11-24) who get together to advise on, test and co-design research methods and tools with different research groups from around the country.

### You will:

- Share your experiences and expertise
- Give feedback and advice
- Talk to NCB staff, policy professionals, academics and decision makers
- Take part in 6 meetings a year
